

Name of Faculty	:	Faculty of Hospitality & Tourism
Name of Program	:	Bachelors in Hotel & Tourism Management (BHTM)
Course Code	:	1BHT04
Course Title	:	Principles of Accounting
Type of Course	:	Ability Enhancement (AE)
Year of Introduction	:	2023-24

Prerequisite	:	Basic understanding of mathematics and proficiency in fundamental arithmetic operations, including addition, subtraction, multiplication, and division.
Course Objective	:	Provide students with a comprehensive understanding of accounting principles, financial statements, recording processes, adjustments, depreciation, merchandising operations, partnerships, corporations, and cash flow statements. By the end of the course, students will be able to apply these concepts to analyze financial data, prepare financial statements, and make informed decisions in various business settings.
Course Outcomes	:	At the end of this course, students will be able to:
	CO1	Analyze the importance of accounting in the hospitality industry and evaluate the differences between bookkeeping and accounting.
	CO2	Create financial statements and assess the relationship between net income and owner's equity.
	CO3	Apply the recording process to accurately journalize business transactions, post them to ledger accounts, and prepare a trial balance.
	CO4	Justify the need for adjusting entries and modify the trial balance to reflect adjustments.
	CO5	Analyze and apply various methods of depreciation, evaluate merchandising operations including transportation costs, comprehend the characteristics of partnerships and corporations, and prepare financial statements for partnerships.

Teaching and Examination Scheme

Teaching Scheme (Contact Hours)			Credits	Examination Marks				
L	T	P		Theory Marks		Practical Marks		Total Marks
SEE	CIA	SEE	CIA					
4	0	0	4	100	50	0	0	150

Legends: L-Lecture; T-Tutorial/Teacher Guided Theory Practice; P-Practical, C - Credit, SEE - Semester End Examination, CIA - Continuous Internal Assessment (It consists of Assignments/Seminars/Presentations/MCQ Tests, etc.)

Course Content

Unit No.	Topics	Teaching Hours	Weightage	Mapping with COs
