Welcome To Sigma Fan

Witness the world's most beautiful college life!

SIGMA[®]
UNIVERSITY

ज्ञानं परम् शक्तिः

The word Sigma stands for Summation. Summation of knowledge, development, expertise, and quality. We aim to educate and train students in various fields to become valuable citizens who serve the nation. Our curriculum is designed such that our students gain practical knowledge, who hands-on experience, industry exposure and paid internships. Established in 2003, Sigma University has educated more than 10,000 students and expanded courses that are relevant in the current times.

Vision

Be a university of global excellence, encompassing an inclusive learning ecosystem that empowers individuals to become socially responsible global citizens.

Mission

To be at the forefront of knowledge's ever-expanding frontiers by providing interdisciplinary education through a well-designed and integrated curriculum.

To create a good learning environment with state-of-the-art infrastructure, and energized work ethics that enables students to achieve a higher level of learning through continuous improvement, thereby facilitating the development of character, virtues, values, and technical skills.

Forming collaborations with other Higher Education Institutes (HEIs) and research organizations to foster entrepreneurship, research, and innovation.

We value and respect each student as a unique individual, recognize their potential, and ensure they receive the best exposure and training to enable them to achieve their career and life goals.

Sahi University, Sahi Opportunity

SIGMA[®]
UNIVERSITY

At Sigma University, we are continuously building a space where learning, growth, and community come together with purpose. Every day, we are witnessing the dedication of our faculty, the enthusiasm of our students, and the silent support of our staff and well-wishers who make this journey meaningful. We are not only focusing on academic excellence but also nurturing values that shape responsible individuals. The efforts of our alumni and partners are further strengthening our vision of an inclusive and future-ready education ecosystem. As we move forward, we remain grounded in our belief that progress is a shared effort. It is heartening to see how each member of the Sigma family is playing a role in shaping this journey. Together, we are not just running a university—we are creating a legacy of learning, resilience, and hope for the generations to come.

Shri Shaileshbhai Shah

Patron, Sigma University

It is a matter of great pride to see Sigma University's remarkable progress over the past year. As Vice Patron, I'm grateful to witness our journey of excellence, innovation, and service. Thanks to the dedication of our faculty, staff, students, alumni, and partners, Sigma continues to grow as a center of learning and transformation. Our students have brought us immense pride, and our collective efforts have built a strong, future-focused institution. Let us move ahead with purpose, unity, and a shared vision to make Sigma University a symbol of progress and positive change. Together, let us embrace innovation, empower young minds, and inspire lasting impact. The road ahead is full of opportunity—and we are ready to lead. My heartfelt gratitude to all who make Sigma University a place of purpose and pride.

Smt. Jyotsnaben Shah

Vice Patron, Sigma University

From the President's Desk

At Sigma, we believe that every student has the potential. Our support is your growth; your growth is our success.

"As the President of Sigma University, I am grateful for the opportunity to lead such a vibrant and dedicated community of students, faculty, and staff. Our institution's success is a testament to the collective efforts and commitment of everyone who calls Sigma University home. At the heart of our institution lies a genuine care for the student community. Recognizing that students are the lifeblood of any academic institution, we have actively engaged in initiatives aimed at enhancing their academic experience and personal growth. Our approach goes beyond administrative duties; we strive to create a supportive environment conducive to learning and holistic development, where each student feels valued and empowered to reach their full potential. By implementing progressive policies and fostering an inclusive academic culture, we have set the stage for a dynamic and thriving educational environment. We continuously seek ways to better the university, exploring avenues for improvement and innovation. Whether it's through curriculum enhancements, infrastructure development, or fostering research opportunities, our collective efforts are felt across every facet of Sigma University. As we look to the future, we are excited to continue cultivating an environment that empowers students to grow, innovate, and make a meaningful impact in the world. We believe that our students are the architects of their own academic journeys, and we are honoured to be a part of their journey. Together, we will continue to foster a culture of excellence, innovation, and inclusivity that prepares our students for success in all aspects of life. It is through our collective efforts that we have achieved greatness, and it is through our continued collaboration that we will reach even greater heights.

Dr. Harsh Shah
President, Sigma University

From the Vice President's Desk

"Behind every successful woman entrepreneur is herself—and often, a mother who dares to dream not just for her children, but for the world."

"As a mother and the Vice President of Sigma University, I find a beautiful intersection between my two most cherished roles—nurturing futures. Whether at home or within the campus walls, my aspirations remain the same: to provide an environment where young minds are inspired, challenged, and deeply cared for. My journey has always been guided by the belief that every student deserves the same opportunities, safety, and encouragement that I would want for my own child. This philosophy drives my commitment to ensure that Sigma University is not just a place of academic excellence, but a space where students feel empowered, heard, and equipped for life. From developing cutting-edge workshops to introducing advanced sports facilities, and from creating inclusive learning spaces to encouraging entrepreneurship—especially among young women—I strive to build an ecosystem that celebrates innovation, resilience, and growth. My dedication also extends to our associated schools, where I continue to invest time and energy to uplift the foundational years of education. Because at Sigma, we believe that shaping tomorrow begins today—with every thoughtful decision, every spark of creativity, and every student who walks through our doors.

Dr. Shreya Shah

Vice-President, Sigma University

At Sigma University, we are not merely keeping pace with change—we are actively driving it. Every milestone we reach is a reflection of our commitment to academic excellence, forward-thinking leadership, and an unshakable belief in the transformative power of education. Our university is growing—not just in numbers, but in purpose. From expanding academic offerings and upgrading infrastructure to forging industry alliances and promoting research-driven learning, we are setting a foundation that is built to last. What sets us apart is not just what we do, but how we do it—with clarity, conviction, and a vision that looks well beyond the present. I strongly believe that institutions must not only educate, but also empower. Our focus remains on developing future-ready individuals—confident, competent, and capable of leading in a dynamic world. We are investing in faculty development, integrating emerging technologies into the curriculum, and strengthening the bridge between academics and real-world application. The road ahead is ambitious. But with a committed team, passionate students, and a shared vision, we are well-positioned to make Sigma University a national benchmark in holistic education. Growth is not an option—it is our responsibility.

» ELITE PROGRAMS IN COLLABORATION

Our Freebird Animation collaboration allows you to dive into animation, VFX, gaming, and UX design with a curriculum shaped by industry pros. Learn in state-of-the-art VFX & UX labs, animation studios, and prototyping spaces. Work on real-world projects—like VFX for Bahubali, educational content for BYJU'S, MPL sports animations, and hit web series like Bal Ganesha. Our students also contribute to YouTube channels with millions of subscribers and animate Sudha Murty's stories. Graduate with hands-on experience, a killer portfolio, and the confidence to shine in the creative industry. Your journey starts here!

TRUE FALSE®

In collaboration with TrueFalse Academy, the program offers fashion and interior design courses at undergraduate, postgraduate, and diploma levels. With state-of-the-art labs and a design-focused library, students gain hands-on experience, portfolio guidance, and global-standard learning. TrueFalse has styled celebrities like Sanya Malhotra and Esha Kansara, contributed to the Yellowstone International Film Festival 2023, and featured in top magazines such as Filmfare and Elle.

In partnership with the Jindal School of Hotel Management, Sigma University offers an industry-focused program combining theory with hands-on training. Students gain real-world experience through internships, live projects, and cutting-edge hospitality practices—preparing them for successful careers and leadership roles in the hospitality industry.

Facilities:

In-house Restaurant | 3 Kitchen Setups | Hotel Room Setup | Aircraft Mock-up | Bar Counter | Digital Library

The partnership with Fairmate Group of Companies provides students with real industry exposure. Through this partnership, students get hands-on experience in sponsored research labs, opportunities for internships, and specialized certifications in **industrial flooring, repair, waterproofing, and coating**. Students also learn directly from industry experts through guest lectures and workshops and gain practical skills that boost their career prospects in the construction and engineering fields!

Sigma University, in collaboration with VFS Global, a world leader in visa and travel services, has launched specialized academic programs in **Travel, Tourism, and Hospitality Management**, under bachelor's and master's degrees. These programs blend classroom learning with hands-on paid internships, giving students valuable industry experience and global exposure. With direct access to leading travel and hospitality brands, students will benefit from practical training, career support, and placement assistance.

The partnership with Virohan, a leading healthcare education provider, offers cutting-edge healthcare programs designed for today's job market. Through this collaboration, students will have access to industry-focused courses in healthcare, blending academic excellence with practical, hands-on training. The programs are tailored to meet the growing demand for skilled healthcare professionals, providing students with the knowledge, certifications, and real-world experience needed to launch successful careers in the healthcare sector

In collaboration with Zydex Industries, Sigma offers BTech and MTech programs specializing in construction technology (chemicals & paints). Students receive hands-on training, internships, and a monthly stipend (₹10,000 for BTech, ₹12,000 for MTech). Admission is via entrance exam and interview. Successful graduates receive job offers from Zydex with packages starting at ₹3 LPA (BTech) and ₹3.5 LPA (Mtech).

JOURNEY SO FAR...

Every great journey starts with a single step- and ours began with students. Since opening our doors in 2002, we've grown from a small community of passionate learners to a vibrant hub innovated, talented and creative students. Over the years, we've celebrated countless milestones - building schools, launching new programs, facilitating world-class infrastructure, and welcoming students from all walks of life. Each chapter has been about pushing boundaries, adapting to changes, and making sure our stakeholders feels at home. Today, Sigma is more than just a university - we're a community where you can find your purpose, your people, and your Sahi Shuruaat.

SHAILY SIGMA INCUBATION CENTRE (SSIC)

Shaily Sigma Incubation Centre (SSIC) is the dedicated hub for fostering innovation and entrepreneurship at Sigma University. With a clear vision to transform innovative ideas into scalable ventures, SSIC is committed to nurturing a vibrant start up ecosystem through mentorship, technical support, funding access, and strategic partnerships. Our mission is to empower students, researchers, and early-stage entrepreneurs with the tools and resources necessary to build impactful and sustainable businesses. SSIC envisions becoming a catalyst for regional innovation, driving socioeconomic development and nurturing the next generation of change makers.

Key Achievement

Incubation and funding of over 70 start-ups across diverse sectors including Agri-Tech, Health-Tech, Clean-Tech, Ed-Tech, and Manufacturing.

- Strategic partnerships with leading industry bodies and government institutions
- CSR Partnership with Shaily Engineering Plastics Pvt Ltd
- MoUs signed with 5+ start-up ecosystems and incubators for cross-collaboration
- Regular hosting of innovation challenges, investor meets, and training sessions
- 8 startups selected by Industries Commissionerate and received more than 1.5 cr fund.

Facilities & Support

SSIC offers a comprehensive suite of facilities and services to accelerate entrepreneurial journeys:

- Dedicated co-working spaces
- High-speed internet and digital conferencing tools
- Prototyping and design support
- Business mentorship and Access to Govt. grants.
- Nodal Institute for SSIP, Start-up Gujarat and Start-up India Seed Fund.
- Access to start-up acceleration programs and investor networks
- IPR assistance and legal advisory
- Networking events, workshops and masterclasses
- Technical support and research collaborations

» MIND MEETUPS

Events That Help You Grow

Who says events are just about fun? On our campus, every event is a chance to level up. Whether it's public speaking, showcasing your innovations, learning from industry leaders, or building your network for placements and future opportunities, we've got you covered. Discover your strengths, boost your confidence, and connect with the best in the business. At Sigma, you don't just attend, you participate, grow, and get ready to shine in the real world.

» SCHOLARSHIP PROGRAMS

1. Meritorious Scholarship

JSSM (Jyotsna Ben Shah Meritorious Scholarship)

This scholarship is awarded to students who score more than 80 percentile/percentage in either their 10th or 12th standard in the current year. They are eligible for up to 100% scholarship. For this, percentile is considered for Gujarat Board and percentage is considered for CBSE Board. Applicable

2 Sports Scholarship

SSSS (Shailesh Bhai Shah Sports Scholarship):

This scholarship is offered based on the student's sports certificates. Students can receive up to 100% scholarship for Diploma, Bachelor's, and Master's courses under this scheme.

3. Alumni Advantage Scholarship

Sister Scholarship

This scholarship is provided to students who have recently graduated from Sigma University or any other Sigma school. They are eligible for a 15% scholarship. Currently, all scholarships are applicable on tuition fees only, and are subject to terms and conditions.

Scholarships That Support,
Encourage, and Inspire.

SIGMA SPORTS AND RECREATION ACADEMY

Sigma Sports and Recreation Academy is all about helping students grow not just in studies but also through sports and fitness. Our vision is to build a strong sports culture on campus where every student gets a chance to stay active, learn new skills, and enjoy the spirit of the game. We believe sports teach important life lessons like teamwork, leadership, discipline, and never giving up. Through Sigma Sports and Recreation Academy, our mission is to support students in discovering their strengths, building confidence, and becoming all-rounders—both in the classroom and on the field. Whether you play for fun or dream big in sports, SSRA is here to guide, support, and cheer for you every step of the way.
